
Flushing of Water Mains

Tuesday May 6, 2014 through June 13, 2014

During the weeks of May 6, 2014 through June 13, 2014 water system personnel will be flushing all fire hydrants in the water system. This procedure allows the water system to flush the water mains and simultaneously the hydrants are checked for damage, leakage, flow and operation. The water system will also be conducting hydrant flow testing at the same time.

Flushing hours of operation will be 2:00 am - 6:00 am

Days 1, 2 & 3 - Tuesday, Wednesday & Thursday **May 6, 7 & 8** Area from Rexford St. west to silver St. North on Borden Ave. to Rt 12 and north on Rt. 12 to Rt 320

Days 4, 5 & 6 - Friday, Tuesday & Wednesday **May 9, 13 & 14** Area from Rt. 12 & Sunset Dr. to Calvery Dr. Cole Dr. south to Cortland St. and from North Broad St. to Plymouth St.

Days 7, 8 & 9 - Thursday , Friday & Tuesday **May 15, 16 & 20** Area from East Main St. to Hale St., east of Birdsall St. and East main St. to Hale St. west of Birdsall St..

Days 10, 11 & 12- Wednesday , Thursday & Friday **May 21, 22 & 23** Area from Cortland St. south to West Main St. west of North Broad St.

Days 13, 14 & 15 - Tuesday, Wednesday & Thursday **May 27, 28 & 29** Area from West Main St. south to Chenango Ave. west of South Broad St. and from Hale St. south to Rt. 12 Bridge east of South Broad St.

Days 16, 17 & 18 Friday, Tuesday & Wednesday **May 30, June 3 & 4** Area from South Broad Street bridge south to Unison and to complete remainder of hydrants in the system.

Days 19, 20 & 21 - Thursday, Friday & Tuesday **June 5, 6 & 10** Rt. 23 hydrants from the lower reservoir to the Albert A. Sullivan Filter plant

Customers experiencing Cloudy water should run a cold water faucet to waste until the flow clears

Sincerely

Carl P. Iverson
