Candidates will be given only **one** opportunity to pass the Physical Fitness Test. Complete testing policy and description of the physical fitness test and requirements are available in the Department of Human Resources upon request.

Subjects of examination: A test designed to evaluate knowledge, skills and /or abilities in the following areas.

- 1. Ability to learn and apply information** These questions test for the ability to learn new information and apply it to answer questions effectively. Candidates will read information presented in a Training Lesson and then answer questions regarding the information and procedures covered in the Training Lesson. All information needed to answer the questions will be provided in the Training Lesson, and candidates will be able to refer to the Training Lesson when answering the questions. Some of the questions may require candidates to combine information from different portions of what has been learned in the Training Lesson. No prior knowledge of any specific job or subject matter is needed.
- 2. Basic arithmetic** This section requires candidates to use basic arithmetic (add, subtract, multiply, divide) to find a missing value in a table of numbers. Candidates will not need to refer to the Training Lesson or any other section of the test to answer the questions in this section. All information needed to answer each question will be contained in this section. No knowledge of firefighting or any other job is required. **Candidates should bring a hand-held battery- or solar-powered calculator for use on this test.** Candidates will **not** be permitted to use the **calculator** function on their **cell phone**.
- 3. Reading comprehension** These questions test for the ability to understand written materials (e.g., sentences, passages) and answer questions about the information presented. Candidates will be provided with reading passages, followed by questions related to each passage. Each question will require candidates to demonstrate that they have read and understood the information contained in the passage.
- 4. Situational judgment** This section tests for the ability to identify appropriate and effective responses to work-related challenges. Candidates will be presented with several scenarios that reflect the types of challenges one could encounter in a work environment. They will then be asked to rate the effectiveness of a number of possible responses to each scenario.

A Guide for the Written Test for **Firefighter** is available at the New York State website:
