

City of Norwich  
2021 Sidewalk Program  
Eligibility Guidelines

**The following properties are eligible for the sidewalk program.**

- 1) Single-family, two-family, and multifamily properties, as may be determined by assessment code classification, which are located in areas of the city served by sidewalks.
- 2) Group homes or other similar residential facilities, which are located in areas of the city served by sidewalks.
- 3) Vacant parcels associated with adjacent residential properties, which are located in areas of the city served by sidewalks.
- 4) Vacant parcels located in residentially zoned areas of the city served by sidewalks, which are owned for the purpose of future residential development.

**New property eligibility beginning with the 2020 Sidewalk Program.**

- 1) Properties that are commercial, as may be determined by assessment code classification, which are located in areas of the City served by sidewalks.
- 2) Residential properties will be given preference over commercial properties.
- 3) Any unusual circumstance or situation regarding a sidewalk will be determined by the Superintendent of Public Works.
